

FROM THE PASTOR

The New Year is here. Every year people all over the world come up with resolutions to be a better person. Before the first week is over, the biggest percentage of them have already blown the diet, quit reading their Bibles or whatever their New Year's resolutions were. This New Year is definitely bringing about change for all of us. The other day, I announced that I was stepping down as your pastor effective March 1st to pursue my education at Rhema Bible Training Center in Broken Arrow, Oklahoma. Amy will be going to school with me, and we are excited about seeing what the Lord has in store for us. We are also excited to see what God has in store for BCC. We appreciate all the support that most of you have shown toward our decision. We want you to know that this is one of the hardest decisions we have ever made, but we are making it TOGETHER! Deciding to leave our children, grandchildren, family, and our church family has been heart wrenching to say the least. But we hope that we can be an example to everybody on what happens when you follow God's leading and step out in FAITH. We haven't left yet, and we are already looking forward to coming home and sharing our testimonies.

God Bless!
